

DISCUSSION WEB

1. After reading a selection, form groups of three to five students each.
2. Discuss the focus question with your group and come up with evidence to support both a yes position and a no position.
3. Analyze the question and record information and the group's responses. Jot down only key words and phrases and try to use an equal number of reasons for pros and cons.
4. Work together to come to a consensus by stating your conclusion and reason(s) for your conclusion.
5. Finally, choose a spokesperson to share your group's point of view with the entire class.
